

CUADERNO DE VACACIONES

INFANTIL 5 AÑOS.

CUADERNO DE REPASO DE INFANTIL 5 AÑOS

RECOMENDACIONES:

Este cuadernillo tiene carácter voluntario y no se solicitarán las fichas a la vuelta de vacaciones.

No es necesario hacer las fichas siguiendo el orden estricto de las mismas; por ejemplo, se pueden intercalar las fichas de números y de letras.

Otras actividades a repasar además de las aquí recogidas son: leerles cuentos y que luego ellos los cuenten recordando los detalles y el orden de los sucesos, hacer dibujos, recortar, inventar historias a partir de uno o varios elementos, leer las fichas del final con las letras trabajadas...

Y cómo no, lo más importante de todo: DESCANSAR Y PASARLO MUY BIEN.

¡FELIZ VERANO, Y HASTA SIEMPRE!
